

SPRING MEANS BABIES  
AT  
SPLIT CREEK FARM, LLC

Saturday, April 29, 2017  
10:00 AM - 4:00 PM

Split Creek Farm Grade A Goat Dairy is nationally known for its goat herd and the artisan cheeses and other quality goat milk products produced at the farm. The survival of America’s small farms is dependent on educating the public about rural life and the origin of their foods. Come join us for the day, and learn how one such farm operates.

Tours and demonstrations will be on going throughout the day. Learn about the different breeds of goats, tour the milking parlor, and visit with the farm animals.

**AND** we will have local artists and craft people with booths set up in the barn yard.

Come welcome our new goat kids!
